Dr. Adrien L. Bennings
KELLOGG COMMUNITY COLLEGE PRESIDENT

Dear Graduates,

On behalf of the Kellogg Community College administration, faculty, staff and Board of Trustees, I am distinctly privileged to congratulate you, our esteemed graduates, for your spectacular achievements and valuable contributions at KCC. After so much study, research and toil, you can take a bow on the stage of academic success and receive the recognition that is rightfully yours. In addition to degrees and certificates that will open new doors, you've earned the pride and admiration of your instructors, families and friends.

We at KCC extend to you our heartfelt wishes for continued ascendancy in whatever lies ahead. We celebrate the fact that KCC has been around for more than 63 years because students like you have chosen to learn, grow and discover opportunities at our institution.

Please remember, Kellogg Community College intends to remain steadfast in its support of students and alumni. We embrace the notion that once you are a Bruin, you are always a Bruin, and you will forever have a place in the KCC family.

Congratulations!

Dr. Adrien L. Bennings

TRUSTEE

2020 marks a year none of us will forget. A worldwide pandemic changed our way of life. We join the world in remembrance of those we have lost and gratitude for the essential workers who have kept us going. KCC is deeply committed to helping stop the spread and following CDC guidelines. While, for the first time in history, this has changed our Commencement, it has not changed our pride in our graduates and our appreciation of the families and friends that support them.

Following are the names of our forever BRUINS.
We celebrate you!
